

## ***Black Vinyl Fender Bib***

### **Parts included:**

1- Fender Bib

### **General Notes:**

1. Front part of fender bib will be held in place with existing fender screw.
2. When attaching velcro on the rear section of the fender, be sure to clean with alcohol and let dry.
3. The fender bib is molded to fit most fenders. If it does not fit flat on your you can stretch the fender bib to make it sit flat on almost any fender.
4. The underside of the fender bib is fitted with fabric that will not damage the paint under the bib.

### **Important Notes:**

- We **STRONGLY** recommend using blue (medium) thread locker on all threads.
