

Black Headlight Grille

INSTRUCTIONS

(Please read all instructions before beginning install)

Parts included:

- 1- Two-Part Headlight Grille

Before Beginning Install:

- Remove Main Fuse OR disconnect battery before proceeding.

Installation Steps:

1. Remove the stock headlight bezel.
2. Unplug the headlight connector.
3. Remove the headlight from the mount.
4. Slip the New retaining ring over the headlight from the back.
5. Screw the grille into the retaining ring, making sure it is tight and straight.
6. Reinstall the headlight & reconnect headlight plug.
7. Re-install the Main Fuse & Go for a Ride!

Important Notes:

- Dielectric Grease should be used on electrical connector/plug
- The rider's safety depends on the correct installation of this kit. Please do not attempt if you have any doubts of your ability to install.
- Does not fit Sportster 72's and 04-09 Sportster Customs without some Modification. As of now this is undocumented/unsupported.
